## Final Exam Instructions

Bookmarked

### Exam Instructions

1. For all exams there is not a pass/fail for the exam itself, but the grade you get will affect your overall passing grade for the course. You must obtain a **70% overall average** to pass the Foundations of Artificial Intelligence course.
2. Time allowed: There is no time limit for the exam
3. Attempts per question: One attempt
4. You can check your grades in the course at any time by clicking on the "Progress" tab located at the top of your screen.

In today's modern age of disruption, SkillUp Online is your ideal learning platform that enables you to upskill to the most in-demand technology skills like Data Science, Big Data, Artificial Intelligence, Cloud, Front-End Development, DevOps & many more. In your journey of evolution as a technologist, SkillUp Online helps you work smarter, get to your career goals faster and create an exciting technology led future.
